GENERAL ASSEMBLY
Fifty-third session
Agenda item 62
QUESTION OF CYPRUS

SECURITY COUNCIL
Fifty-fourth year

Letter dated 7 May 1999 from the Permanent Representative of Cyprus to the United Nations addressed to the Secretary-General

Upon instructions from my Government and further to my letter dated 3 May 1999 (A/53/934-S/1999/502), I have the honour to draw your attention to another violation of the flight information region (FIR) of Nicosia by 16 military aircraft of the Turkish Air Force, recorded on 5 May 1999.

On that day, aircraft of the Turkish Air Force (8 F-16, 4 F-4 and 4 of unknown type) entered the Nicosia FIR violating international air traffic regulations, while flying over the north-western area of the Nicosia FIR without having been granted the relevant permission.

As stated in my previous letters, these unauthorized Turkish intrusions into the Nicosia FIR and the national airspace of the Republic of Cyprus are in violation of international air traffic rules and, at the same time, they are in contravention of the provisions of the Security Council resolutions on Cyprus.

On behalf of the Government of the Republic of Cyprus, I wish to strongly protest these new provocative acts by Turkey which demonstrated Turkey's blatant disregard of international law, the Charter of the United Nations and all the relevant decisions of the Organization on the question of Cyprus.

I would like, once more, to underline that the present violations occurred after the adoption of Security Council resolutions 1217 (1998) and 1218 (1998), in which the Council called upon all States to respect the sovereignty and territorial integrity of the Republic of Cyprus and to refrain from any action that might prejudice that sovereignty, independence and territorial integrity. My Government expects that the Turkish side will show compliance with the provisions of these resolutions.

Such provocative actions are not conducive to reducing tension and run counter to the initiative of the Secretary-General announced on

30 September 1998, within the framework of his Mission of Good Offices, with the goal of reducing tensions and promoting progress towards a just and lasting settlement in Cyprus.

Furthermore the continuing overflights by the Turkish Air Force, as well as the presence of the Turkish military occupation forces on the island, constitute the underlying causes of tension in Cyprus.

I should be grateful if you would have the present letter circulated as a document of the General Assembly, under agenda item 62, and of the Security Council.
